Step-by-Step Instructions

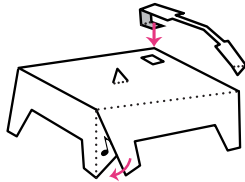

FIRST

Fold along all dotted lines.
Cut along all solid lines.
Don't forget to cut and then pop up the center spike on the record player.

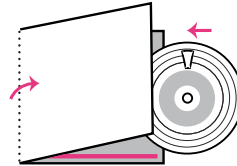

SECOND

Create the record player by gluing tabs with music notes to the legs. Attach the needle.

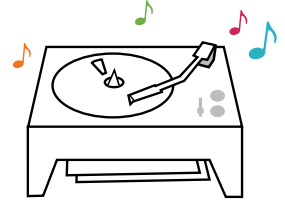

THIRD

Fold over the jacket and glue the inside top and bottom edges. Be sure to cut out the date window on the record.

FOURTH

Put the needle to the record... Spin it around to reveal each day of the month. Switch it up with others throughout the year!
